This letter is issued by Equity Trustees Limited (ABN 46 004 031 298, AFSL 240 975, RSE L0003094) as trustee for Good Super, a division of max Super Fund (ABN 22 508 720 840, RSE R1067880).

### **Important Information about the superannuation product (Good Super) you participate in**

While we are committed to keeping fees as low as possible, sometimes it is necessary to change the fees and costs applicable to a superannuation product to better reflect the actual costs of running the product. The actual costs of running a superannuation product can change due to various factors, including legislative reforms and membership activity which may trigger increased administrative services from the Fund's administrator.

This letter provides Good Super members with important information about changes which are being made to Good Super's fees from 9 October 2015. This information should be read in conjunction with the Latest [Product Disclosure Statement \(PDS\)](#) and [Reference Guide](#).

### **Introduction of Exit Fee**

From 9 October 2015, we will be introducing a \$92.50 Exit Fee, which will be deducted from your account balance when a full or partial withdrawal from your account is made. This fee is charged on a transactional basis, meaning that we will only charge you at such time that we process your withdrawal request. It applies to all types of withdrawals including full or partial transfers or rollovers to an external superannuation account (that is, an account in another superannuation fund).

Good Super's other fees and costs have not changed.
