

Significant Event Notice: Change of Investment Options for Good Super

We are writing to advise you that Good Super's investment manager is changing.

What is changing?

Good Super's legacy investment options, Growth, Balanced and Conservative, will be transitioned to our new investment manager, OpenInvest Co.

How does this affect you?

This will not affect the structure of your investment option, which remains the same. The only thing changing is who manages it.

We also do not need you to take any action, our team will handle all the change in the back end.

Will this cost me anything?

No.

In fact, changing investment managers means our members will be charged less in fees. The new fees are shown in the table below:

Type of fee or cost	New	Old
Investment Fee	0.20%	0.854%
Administration Fee	\$1.50 per week Plus 1.4% p.a.	\$1.50 per week Plus 1.146% p.a.
Buy/ Sell spread	0.15% / 0.15%	0.093% / 0.093%
Indirect Cost for Balanced Option	0%	0.02%
Total Annual Cost	1.6% Plus \$78	2.02% Plus \$78

Who is OpenInvest Co?

OpenInvest Co bring a customised technology solution to ESG-based investing, allowing individuals to invest towards a specific cause. OpenInvest provide greater flexibility to our members than our previous investment managers.

Why are we changing investment managers?

We believe OpenInvest will better reflect our members first philosophy by providing better performance at reduced fees.
