

## Significant Event Notice: Closure of select themed Investment Options

As of 1 October 2019, the below themed investment options will be closed to new and existing investors.

- Women;
- Animals;
- Environment; and
- Pride.

### Why is Good Super closing these specific themed investment options?

We regularly review the Investment options we offer and following one of these reviews, Good Super has resolved to terminate the Women, Animals, Environment and Pride Investment Options to new members effective 1 October 2019.

In taking this action, Tidswell Financial Services Ltd (the Trustee) has acted in accordance with clause 27 of the Fund's Trust Deed to terminate the investment options and provide notice to unit holders to this effect.

### How does this impact me?

Members currently invested in either of the Women, Animals, Environment or Pride themed investment options, will have **thirty (30) days** from the date of this Notice (i.e. until **Thursday, 31 October 2019**) to make an election to either;

- A) Elect to be rolled into the Ethical or the Income investment option;
- B) Elect to do nothing - members funds will automatically switch and redirect any future contributions into the Ethical Investment Option; or
- C) Arrange to be rolled into another Superannuation Fund.

If you do not make an election by Thursday, **31 October 2019**, your account balance and any future contributions will be automatically rolled over into the Ethical investment option.

Existing members will be communicated with separately by the Trustee.
