

Significant Event Notice: Change of Trustee for Good Super

We are writing to advise you that on 30 November 2016, Tidswell Financial Services Ltd (*Tidswell*) replaced Equity Trustees Limited as the Trustee of Good Super.

The Trustee of a superannuation fund is the entity which is ultimately responsible for ensuring the administration and investment of the fund's assets are in accordance with the trust deed and the relevant superannuation law.

How will the change affect you?

You should not notice any material changes to the operation of Good Super, or to Good Super's ethical and social impact investment philosophy. Importantly, none of the fees in Good Super will change as a result of our appointment. We promise to maintain current fee levels for at least the next 12 months.

You will receive reports and updates on your superannuation as usual, and you can still login to access your superannuation account details through the Good Super website at www.goodsuper.com.au.

Why are we changing Trustee?

Consolidating our super funds under the one Trustee company streamlines our business and creates scale which should ultimately allow us to improve efficiency and deliver more value to our members.

Who is Tidswell?
